

FROM THE DESK OF THE PRINCIPAL

Dear Parents & Students,
An exuberant welcome to the session 2025-26,

Now we are approaching a brand new academic year, I am overwhelmed with joy for a new exciting journey of learning and growth. Our commitment to excellence is firm as always and we are ever ready to encourage curiosity, creativity, and collaboration in the deeds and actions of the young learners.

We are undoubtedly always guided by the latest educational trends like NEP-2020 that has been our unwavering commitment to gain academic heights. Learning innovation, flexibility and positive transformation are our aims so that we can strengthen the students personality and out of a simple child we can design a global citizen who will easily face the present modern but challenging world.

The immense success of our students in numerous fields is a matter of pride as they are achieving outstanding academic accomplishments year after year. Our school children have been selected in NEET, JEE, PCS and many more are becoming CAs. These achievements not only reflect the dedication and hard work of the students but also highlight the academic excellence fostered within our school by the experienced and dedicated faculties.

The sports ground also witnesses the high flags of The D'Vallians, I am exhilarated to proclaim that the D'Vallians are writing their success stories in cricket, badminton, football not only at district or state level but also at National level. One of our students is playing under the prestigious Ranji Trophy. My students have proven that they are not only book smart but also sports savvy. Doon Valley polishes the students skill in sports along with academics pursuits to make the children well – rounded individuals

To achieve excellence in any realm is a collective effort of my team and the cooperation of parents and my students as well. The school creates an ambiance that makes it possible to polish the hidden spark of our future stars

Remarkable heights and great success are acquired only if we work together to uplift and empower our students, providing them with the guidance and resources needed. Through a collaborative approach, we can create a positive and inspiring educational experience for every student which will lead us to the summit and in each field we will witness the shimmer of The Doon Valley Public School's prodigies.

With Best Wishes

Principal

PARENTS-TEACHER MEETING

- The development of a child is a joint responsibility of the parents and the teachers. The parents are expected to come and discuss their concerns related to their wards with the teachers in the 'PTM' as child's academic achievement, mental growth, emotional stability, psychological behavior and many other related areas influencing the child's total personality development.
- Any change of address or the mobile number of the child's parents / guardian must be immediately intimated to the school authorities.
- Parents are also advised to discourage their sons from growing / keeping beards for the sake of the idea of oneness which we try to promote at the school.
- **The parents who do not care to attend the Parent-Teacher meetings will be deemed to be not interested in their child's education as this meeting is important to their child's progress.**
- **Parents of academically weak students or students with conduct problems must never fail to attend the Parent-Teacher meetings otherwise they will be deemed to be disinterested in their ward's educational progress and character development.**
- **Fee Defaulters for consecutive two months will not be permitted to sit in the Periodic Test.**

1. December	Pre Board - 1
2. January	Pre Board - 2

The school will remain closed for students on the day of their PTM only.
Any change (if made in the future) depends on the School Authority's discretion.

TRANSPORT

1. Transport is available on-demand. If there is any need to change the mode of transport, then information must be given before a month in writing. If a child is withdrawn for any reason he/she can't be taken back in the future or it depends on the availability of the seat in the same transport. The Co-operation of parents is vital during the session.
2. Children using transport facilities should be present at the pickup point at least 5 minutes before the given time.
3. Parents are requested not to make the transport wait as this causes inconvenience to others and delays the children's arrival at school.
4. Parents of children using their transport are requested to drop and pickup the child from the school gate incharge.
5. The school authorities have no responsibility for any accident/mishap on the way from the school to the destination and vice versa.
6. Parents of the students availing transport facility should be present at the designated stop 5 minutes before transport arrival & dispersal time.
7. Make sure that your ward does not carry any mobile phone in school conveyance.
8. Indecent behaviour in vehicles will lead to withdrawal of transport facility.
